

Revenue Management

business.golfnow.co.uk

On average, 106 pricing adjustments made daily at over **2,200** courses

70% of online bookings are made within 48 hours of play

12% additional revenue generated by clubs with 4-ball offers

Minor adjustments, major impact

There is much more to operating a business than simply hanging a sign and opening your doors. Revenue management is key to maximising your course's potential, and our experts can help you implement pricing strategies that will drive you to new levels of success.

Features

Price green fees relative to inventory and conditions

Successful courses adjust rates in relation to demand and the product on offer, balancing value and profit.

Monitor the competition

Look to what your neighbouring clubs are charging and adjust your rates accordingly.

Track your course utilisation

Ensure you sell at your full price during peak times, and introduce attractive offers when the course is quiet.

Offer multiple price points for larger group sizes

Attract more golfers and large group outings with varied pricing options.

Find your solution
