

MEMBERSHIPS

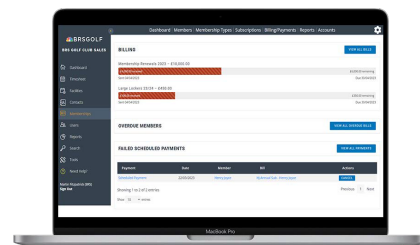

MANAGE ALL ASPECTS OF MEMBERSHIP

Easily bill members and take payments online, create customised payment schemes and automate tasks

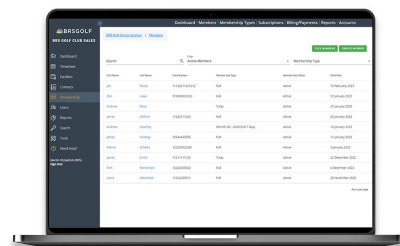

BENEFITS

- Memberships is a comprehensive, feature-rich solution designed to allow golf clubs to efficiently manage all aspects of memberships in one place
- Fully integrated with BRS Golf's tee sheet, booking site and app
- Chain subscriptions based on age, length of service or design your own – extend introductory offers that convert to full membership
- Edit, print, email and publish bills directly to your member website and app. Members can book tee times and pay bills, all in one place!
- Set your allowed grace period for non-payers, after which members' logins will automatically be disabled
- The system provides clubs the flexibility to offer monthly, rolling annual or custom subscription cycles
- Our customisable payment schemes allows clubs to offer their members flexible payment options, helping with cashflow and membership retention.
- Generate bills – print, email and publish directly to the member website and app. See who has paid their bill at a glance
- Easily create, sort and view your members - filter by location, gender and more. Apply filters to bills and subscriptions.

Easily manage member billing and payments

Create custom payment schemes and chain subscriptions
