

MEMBER BOOKING

THE GOLF CLUB MEMBER EXPERIENCE

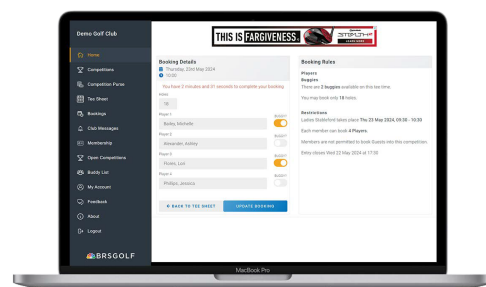

Manage memberships, book tee times online and stay up to date with all the latest at the club

BENEFITS

Our enhanced member booking website and companion app for iPhone and Android allows members to book casual and competition tee times anywhere, anytime and from any device.

- Significantly reduces phone calls to the office and pro shop
- Reduces 'no-shows' and competition time sheet abuse
- Improves communication and participation in clubs using email, SMS and Club Messages
- Automatically enforces club policy for competition and casual tee times
- Members can book buggies online via the website
- The website automatically refreshes as tee times become available
- Eradicate the queue on the first tee and the 'ball in the chute'!
- Clubs can customise the booking rules, so the club is in complete control of when the members can view and book their tee times
- Waiting list functionality for busy competitions
- Calculation of member green fees feature available

Allow members to quickly and easily book tee times

Members can book competitions on any device
